The twenty-nine members of the Letterman's Club are a valuable asset to our school. They promote interest in athletics, and also take part in competitive sports of Eastside High School. The Drama Club was organized by Mr. Cripe and Mr. Klausing in the fall of the year.

Its membership is made up of high school students in grades 9 through 12 and the interest and enthusiasm in the club can be seen in its more than 60 members.

The club proposes to provide its members with an opportunity for self-expression upon the stage, introduction to "qualified" productions, familiarity with the many theatrical aspects of any theatrical production, etc.

The club members are presently working hard toward affiliation with the International Thespian organization.

This year the club has undertaken two major dramatic productions—the musical SCROOGE in December and the two-act comedy YOU WERE BORN ON A ROTTEN DAY in March.

The club is looking forward to a productive future with wide and varied activities planned for its members.

The Girls Athletic Association has become a vital part of the sports program at Eastside High School. This year bowling was played in competition with other schools. Track and field, volleyball, softball, and basketball were also played in competition with teams from surrounding area schools. The girls in GAA have a chance to prepare themselves in physical fitness and also enjoy the friendship of other girl athletes.

To show their school spirit, the Eastside GAA presented an Eastside Banner to the school. The success of the GAA organization is made possible through the untiring efforts of Mrs. Maida Parshall and the team coaches.

The club also received many generous contributions to make its goal possible. The year was concluded with a Spanish meal which was enjoyed by all. The club's success can be attributed to its sponsor, Mrs. Carmen Arribalzaga.

Girls'—Boys' State Mexico Trip

SEATED: Marc Gearhart, Diane Sebert, Kent Rosenbury. STANDING: Alternates, Dave Miller, Caroline Smith, Larry Andrew.

This past summer during July, 1971, we spent six weeks attending a summer school session at the Colegio Americano de Torreòn in Torreòn, Coahuila, Mexico. We lived with wonderful Mexican families and American sisters during our stay and learned Spanish "first hand". Each morning we attended school and spent the afternoons and evenings in numerous ways shopping, dating, even sleeping! In addition to these activities our trip was highlighted with a three day visit to Mexico City. During these three days we saw the government buildings, the pyramids, the University of Mexico, a bull fight, the beautiful Folklore Ballet, and even managed to do some shopping at the famous San Juan markets. The Spanish Club financed our trip with the help of donations from many fine people. We would like to thank everyone who made our trip possible. The friends and times we spent in Mexico will always live in our fondest memories.

Booster Block

This year's Booster Block has tried their best to back the Eastside Blazers. The Booster Block members purchased green sweaters this year, and the seniors wore their senior cords.

Booster Block was busy this year selling two different types of Eastside T-shirts, and selling buttons for people to show their spirit to the Blazer team.

A NOTE FROM THE EDITOR

The 1971 - 1972 school year is over, for some it was a beginning for ours it was the end.

This year the 1972 Easterner is different in that this is the first annual to be published in the new complex. It's also different because of the changing faces from year to year. Many people think of an annual as the different parts of the buildings but it's really you, the people. I just want to say thank you to the ones who made this possible — you the subscribers and advertisers.

Also, I want to thank Marna, Susan, and the ones who did a lot of the work and weren't able to be on Annual Staff. A big thank you goes to Mrs. Hood who had to put up with us and check our layouts that were sent in. Mr. Williams has also been helpful with his guidance and assistance.

I just hope that we have brought to you, the owner of this book, the life at Eastside as it was happening from day to day.

Thank you!
